### MODULE 1: THE CALL TO CREATE

From the Forge Your First Devotional Course

"Write the vision; make it plain on tablets" - Habakkuk 2:2

#### THE CREATOR'S CALLING

Every powerful devotional begins with a prompting, not a platform.

Before you worry about:

- Perfect writing skills
- Large audiences
- Publishing platforms

You must first answer:

- What is God stirring in your heart?
- What truth keeps surfacing in your prayers?
- What struggle has become your strength?

#### EXERCISE 1: THE SACRED STIRRING

Spend 10 minutes in prayer, then write:

1. What spiritual truth has been heavy on your heart lately?
2. What question do people ask you repeatedly?
3. What Bible passage won't leave you alone?
4. What personal struggle became a breakthrough?

#### EXERCISE 2: THE MESSAGE MAP

Draw three circles that overlap:

- What you're passionate about
- What people need help with
- What God has taught you through experience

Your devotional lives in the center overlap.

#### NEXT STEPS:

- Complete both exercises
- Keep a "stirring journal" for one week
- Notice what themes emerge repeatedly
