The Story of Mary Magdalene

She was never a prostitute.

That's one of the first myths to unravel when we look closely at Mary Magdalene's story.

What we find instead is something far more radical: the first apostle, the first witness of resurrection, a woman e

Ezekiel's Vision

Wheels within wheels.

Eyes on every side.

A radiant throne above the firmament.

Ezekiel's vision wasn't just strange—it was a cosmic shockwave.

In exile and despair, he encountered glory that couldn't be contained.

Abraham the Patriarch

Abraham's story doesn't begin with certainty—it begins with a call to leave everything familiar.

His legacy is faith not because he never doubted, but because he walked forward anyway, trusting a promise he

Are the End Times Upon Us?

Whether framed as prophecy, climate anxiety, or geopolitical tension, the End Times stir up both fear and fascination. But maybe the real question isn't when the end will come—but how we choose to live in light of it.

What We Really Know About the Nephilim

Giants.

Watchers.

The mysterious offspring of ‘the sons of God’ and human women.

The Nephilim aren't just biblical footnotes—they're the stuff of theological controversy, ancient lore, and modern
